

ROSES

Ever wonder what was on the mind of the Maker
When He turned all of our sorrow into fields of grace
Right here in the middle of earth and Heaven
Caught between the romance and the pain
Can't you see that

He must've known about the heartbreak long before us
He must've known about the mistakes, still He chose us
Planted the tree where He would die
Put thorns down the vine, and then He wore them
And love is the blood red stain, the beauty that the pain exposes
Maybe that's why God made roses

God is in the whisper if you listen closely
Winter means that spring is just a breath away
So don't go any faster than this very moment
Sing a hallelujah in the pouring rain
Can't you see that

He must've known about the heartbreak long before us
He must've known about the mistakes, still He chose us
Planted the tree where He would die
Put thorns down the vine, and then He wore them
And love is the blood red stain, the beauty that the pain exposes
Maybe that's why God made roses
Maybe that's why God made roses

And just like petals falling to the ground
We fall in to the One who's resurrection's here and now
All things made new
And just like petals falling to the ground
We fall in to the One who's resurrection's here and now
All things made new
Can't you see that

He must've known about the heartbreak long before us
He must've known about the mistakes, still He chose us
Planted the tree where He would die
Put thorns down the vine, and then He wore them
And love is the blood red stain, the beauty that the pain exposes
Maybe that's why God made roses
Maybe that's why God made roses

BUILD MY LIFE

Worthy of every song we could ever sing
Worthy of all the praise we could ever bring
Worthy of every breath we could ever breathe
We live for You, oh, we live for You

Jesus, the Name above every other name
Jesus, the only One who could ever save
Worthy of every breath we could ever breathe
We live for You, we live for You

Holy, there is no one like You
There is none beside You
Open up my eyes in wonder
And show me who You are
And fill me with Your heart
And lead me in Your love to those around me

Jesus, the Name above every other name
Jesus, the only One who could ever save
Worthy of every breath we could ever breathe
We live for You, oh, we live for You

Holy, there is no one like You
There is none beside You
Open up my eyes in wonder
And show me who You are
And fill me with Your heart
And lead me in Your love to those around me

And I will build my life upon Your love
It is a firm foundation
And I will put my trust in You alone
And I will not be shaken
And I will build my life upon Your love
It is a firm foundation
And I will put my trust in You alone
And I will not be shaken

ALWAYS

I believe You gave sight to the blind
I believe that the dead came to life
I believe there were wonders and signs
And You're still the same

I believe every word that You said
I believe there are scars in Your hands
That Your goodness is good without end
And You'll never change

I will tell of Your wonders sing of Your grace
The God of creation knows me by name
The Lord is faithful yesterday now and always

Your mercy is mighty age after age
All generations will bow down and praise
The Lord is faithful yesterday now and always
Always

I believe You will come in the clouds
I believe You are here even now
In Your presence I know there is power
Power to save oh

You were You are You always will be God
You were You are You always will be God
Yes You always will be God

Your mercy is mighty age after age
All generations will bow down and praise
The Lord is faithful yesterday now and always

GREATER STILL

You met me at my lowest moment
You saw me at my very worst
When I expected disappointment
Love was all I heard

My sin was deep
Your grace was deeper
My shame was wide
Your arms were wider
And my guilt was great
Your love was greater still

You ran to me when I was naked
And clothed me in Your righteousness, yeah
You pulled me from the depths of darkness
Into Your light again
Oh, into Your light again

My sin was deep
Your grace was deeper
My shame was wide
Your arms were wider
My guilt was great
Your love was greater still (x2)

How deep, how wide
How far, how high
The love of my Savior, the love of Christ (x3)

'Cause my sin was deep
Your grace was deeper
My shame was wide
Your arms were wider
My guilt was great
Your love was greater still (x2)

How deep, how wide
How far, how high
The love of my Savior, the love of Christ (x2)

TRUST IN GOD

Blessed Assurance, Jesus is mine
He's been my fourth man in the fire, time after time
Born of His Spirit, washed in His blood
And what He did for me on Calvary is more than enough

I trust in God, my Savior
The one who will never fail
He will never fail
I trust in God, my Savior
The one who will never fail
He will never fail

Perfect submission, all is at rest
I know the author of tomorrow has ordered my steps
So this is my story and this is my song
I'm praising my risen King and Savior all the day long

I trust in God, my Savior
The one who will never fail
He will never fail
I trust in God, my Savior
The one who will never fail
He will never fail

He didn't fail you then
He won't fail you now

I sought the Lord and He heard and He answered
I sought the Lord and He heard and He answered
I sought the Lord and He heard and He answered
That's why I trust Him, that's why I trust Him (x4)

That's why I trust Him
That's why I trust in God, my Savior
The one who will never fail
He will never fail
Oh, I trust in God, my Savior
The one who will never fail
He will never fail
I sought the Lord

I sought the Lord and He heard and He answered
I sought the Lord (and He delivered me from all my fears)

I sought the Lord (from everything)
And He heard and He answered, oh
That's why I trust Him, that's why I trust Him
I sought the Lord and He heard and He answered
I sought the Lord and He heard and He answered
I sought the Lord and He heard and He answered
That's why I trust Him, that's why I trust in God
